

FOUNDATION PHASE

CODE OF CONDUCT

In the Foundation Phase, where we deal with young children, punishment classes are inappropriate. We therefore appeal to parents to instil discipline and good values at home.

A merit / demerit system has been put into place.

- Merits will be awarded for good work, good behaviour, initiative and extra work done by the pupils. For every 5 merits awarded the learners will receive a certificate. Every four certificates entitle the learner to a merit badge and a tuckshop voucher.
- Demerits will be given should a learner break a school rule or display disruptive or inappropriate behaviour. Once a pupil has received 3 demerits, his/her parents will be informed in writing and will be expected to attend an interview with the teacher.
- If a class accumulates 30 signatures from various teachers, that class will be rewarded with a civvies day. Signatures can be accumulated for good behaviour, good work, working as a team and other appropriate behaviour determined at the teachers' discretion.

Our long term aim is to instil self-discipline. This can only be achieved if discipline is consistent both at home and at school. We appeal for your assistance, support and co-operation in this regard.
